

PLACEMENT OFFICE, IIT BOMBAY

PLACEMENT POLICY FOR RECRUITING ORGANIZATIONS

(Placement Season 2021-22)

The Placement Office welcomes all recruiting organizations to take an active part in the Placement Process for the Placement Season 2021-22. IIT Bombay considers the Placement Process very crucial and extends all-out support to ensure that students are given the right opportunity to streamline their career interests so as to facilitate a proper match between recruiter expectations and student aspirations.

The Institute Placement Team consists of the Professor-in-Charge (PIC), Training & Placement Officer (TPO), Placement Office Staff Members, Placement Managers, Company Coordinators, Department Placement Coordinators, Associate Placement Coordinators, Internship Coordinators, Web Coordinators and Design Nominee.

The team continuously endeavours to ensure IIT Bombay coming up with the best Placement results and continues to be the most favoured destination for recruiting organizations. This is possible only with the assistance and full co-operation of all students.

In order to maximize the sum of benefits to all the stakeholders, the Placement Policy for Recruiting Organizations has evolved over the years. To realize a win-win situation for IIT Bombay and our partner recruiting organizations, all are expected to understand the Placement Policy and follow it strictly. It may be noted that some policy changes may take place during the year in the best interest of the stakeholders.

The Placement Policy for Recruiting Organizations is applicable to all recruiting organizations that are invited to participate in the 2021-22 Campus Placements of IIT Bombay. The extracts of the Student Placement Policy are included below.

1. Placement Season:

The Placement Season started on July 11, 2021, and will continue up to June 30, 2022.

2. General Guidelines for Recruiting Organizations:

- A. Students will be joining their organizations till August end.
- B. Recruiting organizations are requested to mark all IIT Bombay related placement communication to placementcell@iitb.ac.in besides any other email IDs being used.
- C. Recruiting organizations are requested NOT to involve anybody from IIT Bombay in the decision-making process while either shortlisting or selecting candidates.
- D. All job offers are to be made through the Placement Office only. The acceptance letters of students selected by the organization will also be sent through the Placement Office.
- E. The schedule for various activities to recruiting organizations as informed by the Institute Placement Team from time to time will have to be strictly followed.

- F. **Pre-Placement Talks**- Companies will only be allowed to book their slot for Pre-Placement Talks till 3rd October 2021. No further requests shall be entertained.
- G. Recruiting organizations should NOT contact any student by any means unless he/she has been selected by the organization through campus placement or is otherwise explicitly permitted to do so by the Placement Office. Direct contact with the students before selection, without explicit permission from Placement Office, is not just a violation of this policy but also amounts to gross ethical misconduct by the recruiting organizations.
- H. Salary information in the Job Announcement Form (JAF) should be provided in terms of gross salary per annum. Perks, if any, and other benefits may be specified in the "Additional Information" section of the JAF. The Institute takes utmost care to maintain the confidentiality of this information.
- I. Any informal interaction or non-placement related activities with the students before the final selection will be not entertained from this year's placement process as per institute guidelines. Requests regarding this matter shall not be entertained by the Placement Office.
- J. Companies are hereby requested to restrict the duration of conducting their in-semester evaluative processes such as tests, Group Discussions etc., to a maximum of 1 hour per activity as per the restrictions in students' schedules due to academic commitments.
- K. IIT Bombay administration and the Placement Cell will not be held liable for any costs incurred by a firm during the hiring process regardless of outcome.

3. Recruiter Participation Fees:

IIT Bombay has decided to exempt the company registration fees for the year 2021-22. This is in view of the virtual placement process due to the pandemic scenario. We plan to continue the registration fees as usual in the coming years.

4. Rules for Pre-Placement Offers (PPOs)

- A. Companies are encouraged to **inform the PPOs before 15th September 2021**. Post the date mentioned, JAFs for the upcoming Placement season shall start opening, and students might prefer to continue in the Placement process.
- B. All Pre-Placement Offers by any organization, extended to any student, have to be immediately reported to the Placement Office by the student after registration. This also includes offers extended by organizations that are not participating or are not likely to participate in the 2021-22 campus placements.
- C. All organizations contacted will also be informed about the PPO policy of the Institute, depending on which a company may or may not allow the student to sit for Placements.
- D. Any form of intimation from an organization about the possibility of a PPO being granted in future should be informed to the Placement Office without waiting for the formal offer letter/email. The Placement Office will take up the matter with the organization further, and the student will be allowed to sign JAFs as per normal policy until a decision regarding the grant of a PPO is made by the organization.
- E. Students should proactively review the terms and conditions for the PPO. In case of any difference

between the company's terms and conditions and the Institute Policy, the same should be explicitly brought to the notice of the Placement Office.

- F. The student will have to accept or reject the offer before the deadline of the organization or 30 Nov2021 or 1-week after the student is given the offer, whichever is earlier. Failing to do so, Placement Office will assume the offer to be accepted, and the below-mentioned rules would be applicable.
- G. The following details must be informed when offering the PPO-
1. Compensation (Gross & CTC)
 2. Place of posting
 3. Job Profile
 4. Confirmation of allowing PPO JAFs to students according to 8(g).
- H. Students accepting or rejecting a PPO will have to immediately notify the Placement Office of the same with a copy of their communication to the organization. If the PPO is accepted, the job will be recorded, and he/she will be allowed to appear for additional placement opportunities (given that the recruiter offering PPO allows doing so) as given below. The companies pertaining to the additional JAFs the student signs must visit either before/on the date of the company from which the student has received the PPO. For PPO offering firms that do not visit the campus, the number of additional placement opportunities allowed shall be decided by the PIC.

On accepting a PPO, the student will be allowed the following additional opportunities:

Category of PPO Job profile	Number of JAFs students can sign
C1	2
C2	3
C3	4
C4	5
C5	6
C6	7
C7	8
C8	9

Students will have to appear for the personal interviews in the companies for which they have been shortlisted.

- I. Any student who gets a job during campus placement must accept the job offered through campus placement, and the student will not be eligible for signing any additional JAFs. The organization offering PPO will also be informed accordingly.

- J. A student with additional opportunities available as per 8(G), on completing the number of incentive points for participation in the preparatory activities, will get an incentive of signing additional JAFs as follows:

Minimum Incentive For additional JAFs	25 points	35 points	40 points
Category of PPO			
C6	1	2	3
C7	2	4	6
C8	4	8	12

A student who is found to have breached any of these rules or secured a PPO and not informed the Placement Office of the same within the stipulated time limit will be debarred from the placement process. If at the time of the breach the student is already placed, the organization in which he/she is placed will be informed of the violation. The matter may also be referred to the Institute for further disciplinary action.

- K. Pre-Placement Interviews: Students, who are offered PPIs, can choose to accept or reject PPIs. If a student accepts the PPI and gets a job offer after giving the PPI, standard Pre-Placement Offer rules shall apply. However, if the student chooses to reject the PPI or does not get selected after giving the PPI, he/she can appear for the rest of the placement process as usual.
- L. Any terms and conditions, if applied by the organization offering the PPO, shall override the Pre-Placement Offer guidelines mentioned above by the Placement Office, IIT Bombay.

Extracted below are some sections of the Placement Policy for Students, which may be of interest to the recruiting organizations.

5. Categorization of Organizations:

The job profiles offered by recruiting organizations are divided into various categories based on the gross compensation package as follows:

- $C1 > 16 \text{ LPA}$
 $13.5 \text{ LPA} < C2 \leq 16 \text{ LPA}$
 $11.5 \text{ LPA} < C3 \leq 13.5 \text{ LPA}$
 $9.5 \text{ LPA} < C4 \leq 11.5 \text{ LPA}$
 $7.75 \text{ LPA} < C5 \leq 9.5 \text{ LPA}$
 $6.25 \text{ LPA} < C6 \leq 7.75 \text{ LPA}$
 $5 \text{ LPA} < C7 \leq 6.25 \text{ LPA}$
 $C8 \leq 5 \text{ LPA}$
(LPA – Lakhs per Annum in INR)

Factors other than compensation package like **job profile, the past association of recruiting organization etc.,** may sometimes be considered to alter the category.

The decision regarding the categorization of firms is up to the discretion of the Placement Office, IIT Bombay and requests regarding this matter shall not be entertained.

Job profiles offered by organizations that offer a salary in other currencies will be categorized by the Placement Office based on the above factors. Job profiles offering varying salaries may be placed in multiple categories, with each category depending on the salary.

6. JAF Signing Details (Job Announcement Forms)

- A. A student shall be entitled to sign a maximum of 40 JAFs during Phase I of Placements 2021-22, i.e. from July '20 to **a date that shall be specified later** by the placement cell. After that date, unrestricted regular JAF signing would be allowed. Students unable to secure a job in Phase I would be allowed to sign JAFs unconditionally in Phase II. Students who secure a job in Phase I can refer to the Second Job Policy for rules for the signing of extra JAFs.
- B. A student can avail of extra JAFs by participating in preparatory activities and earning incentive points. Extra JAFs can be availed abiding by the following structure:

Incentive Points	<15	15 - 24	25 - 34	35 - 44	>45
------------------	-----	---------	---------	---------	-----

Total number of allowed JAFs	40	70	95	120	150
-------------------------------------	----	----	----	-----	-----

7. Bonus Opportunity JAFs

- A. A student shall be entitled to sign an additional number of JAFs that are not open for his/her own department and program, which will be considered as a bonus opportunity to the students.
- B. A student can avail of these Bonus Opportunity JAFs only if he/she has no penalty points.
- C. Rules of Bonus Opportunity JAFs are independent of the rules for regular JAFs.
- D. If a JAF is signed using Bonus Opportunity but reopens again as a regular JAF for the student, it will be considered as regular JAF, and the student will be entitled to one extra Bonus Opportunity JAF to compensate the Bonus Opportunity availed previously for the same JAF.
- E. The Placement Office will notify the students in advance when a particular company is not going to accept Bonus Opportunity JAFs.
- F. Bonus Opportunity JAFs will be allowed in Phase-2 as well.
- G. Students will be allowed to sign the remaining number of bonus JAFs even after getting 1st job, subject to the condition that the total number of JAFs a student can sign will be according to Section 7, and this number shall be inclusive of Bonus Opportunity JAFs.

Bonus Opportunity JAFs can be availed abiding to the following structure:

Incentive Points	<10	10-15	16-21	22-27	28-33	>33
Total Number of Bonus Opportunity JAFs available	2	3	4	5	6	7

8. Second Job Policy

- A. The 2nd Job Policy is strictly applicable only in Phase II from January 2022 for all organizations visiting the campus in Phase II as per the below-mentioned rules.
- B. A student securing a job in C1, C2, C3, C4 or C5 category organization will NOT be eligible to sign any new JAF. The student's name will also be removed from all other JAFs of organizations that he/she has applied for, and he/she will be deregistered from the placement process.
- C. A student securing a job in a C6 category organization will be allowed to sign extra regular JAFs only of organizations in category C4 or higher as per point (G).
- D. A student securing a job in a C7 category organization will be allowed to sign extra regular JAFs only of organizations in category C5 or higher as per point (G).
- E. A student securing a job in a C8 category organization will be allowed to sign extra regular JAFs only of organizations in category C6 or higher as per point (G).

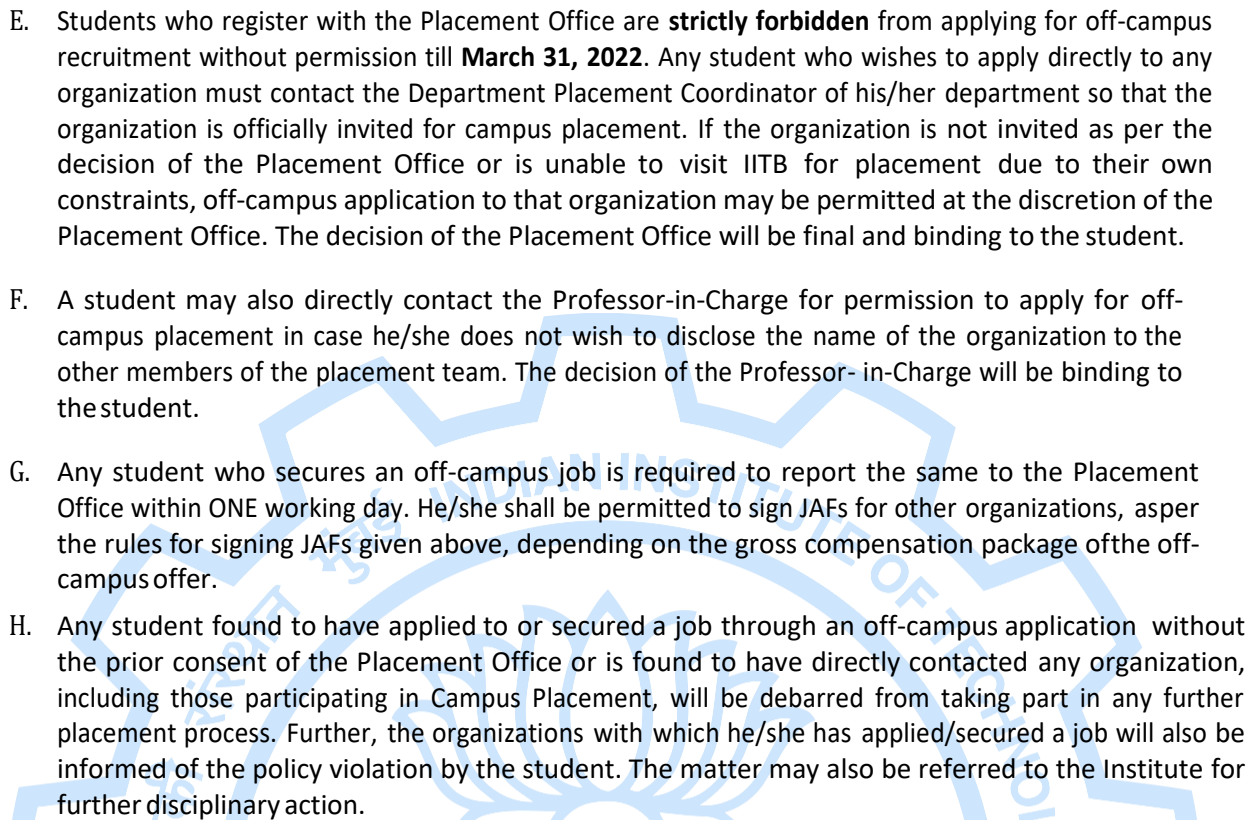

- F. A student has the option of choosing one out of multiple offers if the said offers were received within the period of three working days for jobs secured in Phase II, subject to the fact that the selection procedure for each of those organizations has been fully completed and only their final results are awaited. It shall be binding on the student to accept the job for which he/she has been selected through the Placement Office after three working days.
- G. Any student who gets 2 jobs during Campus Placement will NOT be eligible to sign any more JAFs, and the student will be deregistered from further placement process, including removal from further signed JAFs. The student must accept the higher category job, and both the organizations will be informed accordingly. This clause is applicable even for students eligible for signing additional JAFs as per the incentive scheme.
- H. A student appearing in multiple shortlists in a single interview slot will have to submit his/her priority list amongst the organizations that have shortlisted him/her. The instructions for providing the option and its deadline (which will typically be at least one day before the visit of the organizations for interviews) will be communicated by Placement Office. On receiving multiple offers, the student has to accept the offer from the organization appearing higher in his/ her priority list.
- I. A student completing the specified number of incentive points through participation in Institute-level and department-level preparatory activities will get an opportunity to sign additional JAFs (applicable after the student has secured his/her First Job). Of the total incentive points completed by the student, a minimum of 10 incentive points must be completed through the institute-level preparatory activity to avail the opportunity to sign these extra JAFs.

J.

Category of 1 st Job Minimum Incentive Points for 2 nd Job	25 Points	35 Points	40 Points
C6	1	2	3
C7	2	4	6
C8	4	8	12

9. Rules for Off-Campus Applications

- C. Students are strictly prohibited from applying to off-campus organizations except as described below. Students are strictly prohibited from making any contact with organizations that are likely to visit or have visited the campus for placement.
- D. Students are strictly prohibited from participation in any sort of competitions conducted by organizations or any activity not falling in the purview of the Placement Office. Students are discouraged from sharing their contact details with any organization during any part of the selection procedure of the organization. The exceptional cases where contact sharing is allowed will be communicated specifically by the Placement Office.

- 
- E. Students who register with the Placement Office are **strictly forbidden** from applying for off-campus recruitment without permission till **March 31, 2022**. Any student who wishes to apply directly to any organization must contact the Department Placement Coordinator of his/her department so that the organization is officially invited for campus placement. If the organization is not invited as per the decision of the Placement Office or is unable to visit IITB for placement due to their own constraints, off-campus application to that organization may be permitted at the discretion of the Placement Office. The decision of the Placement Office will be final and binding to the student.
 - F. A student may also directly contact the Professor-in-Charge for permission to apply for off-campus placement in case he/she does not wish to disclose the name of the organization to the other members of the placement team. The decision of the Professor-in-Charge will be binding to the student.
 - G. Any student who secures an off-campus job is required to report the same to the Placement Office within ONE working day. He/she shall be permitted to sign JAFs for other organizations, as per the rules for signing JAFs given above, depending on the gross compensation package of the off-campus offer.
 - H. Any student found to have applied to or secured a job through an off-campus application without the prior consent of the Placement Office or is found to have directly contacted any organization, including those participating in Campus Placement, will be debarred from taking part in any further placement process. Further, the organizations with which he/she has applied/secured a job will also be informed of the policy violation by the student. The matter may also be referred to the Institute for further disciplinary action.

10. Deferred Placement Policy

Please refer to the Deferred Placement Policy Document, announced separately.

11. Placement Policy for Research Scholars

Please refer to the Placement Policy for Research Scholar, announced separately.

12. Participation Incentives

- a. Placement Office will organize some compulsory and optional activities at the department and institute level. Optional activities will have points attached to them. These points will be awarded to a student on the basis of written attendance taken during the event (except in the case of online tests).
- b. A student will be awarded “2” points for participating in an Institute-level activity. The institute-level activities include but are not limited to preparatory workshops, coding and aptitude tests, lectures and other employability enhancement initiatives under the purview of the Placement Office.

- c. A student will be awarded “2” points for participating in a department level activity (lasting more than 45 minutes). There are no points awarded to any preparatory activity requiring less than 45 minutes. These activities include but are not limited to the employability enhancement initiatives by Department Placement Coordinators like mock Group Discussions (GDs), mock Personal Interviews (PIs), buddy talks and tests.
- d. Any violation (including proxy attendance) will be addressed in the same manner as in PPTs, and corresponding penalty points will be imposed as given in the ‘Graded Penalty Structure’.
- e. A student who earns “25” or more points will get the opportunity to sign extra JAFs as mentioned in sections 4.1(d) and 6(f) from that day onward.
